

## MD White Lithium Grease Spray

October 16

MD White Lithium Grease Spray is a waterproof, general purpose lubricant with lithium grease, suitable for use in a wide variety of applications.

MD White Lithium Grease Spray is extremely adherent and can be used not only as a lubricant, but also as a release agent or in order to preserve the life of components.

MD White Lithium Grease Spray lubricates all metal components, slip surfaces and moveable parts. It can be used on a wide range of surfaces, including rubber, plastic, iron etc, leaving a protective film which does not abrade off easily.

MD White Lithium Grease Spray is temperature stable from -40°C up to +140°C.

- Extraordinarily adhesive, no lubricant breakaway
- Lubricates all metallic moving parts and sliding surfaces
- Also applicable for technical plastics and plastics
- Suitable for use with running machines
- Metal-free, non-contaminating long-term protection
- Sweat, spray and saltwater-resistant
- Temperature-resistant from -40 °C bis +140 °C
- Corrosion-inhibiting

Packaging	Item number
12 spray cans á 400 ml	MSP.WF.Y400
